

THE PLAINS ANNUAL SCARECROW CONTEST 2020

Even during a pandemic we should have some fun.

The perfect social distancing event of the year!

Our theme is: "Let's have some fun!"

Put the pandemic & politics aside.

Stop being so serious and build a scarecrow that is scary and hilarious.

The Contest will start "officially" on Wednesday, October 7th and end "officially" on November 3rd.

Please have your Scarecrow up and ready by no later than October 10th.

Judging takes place
October 29th
by our secret judges.

(Some scarecrows from previous years...)

To enter your scarecrow into the contest send a picture (from your phone) or drop off a note to Lisa at Baileywyck Antiques: lisa@baileywyckantiques.com by October 17th.

Be sure to include your name, number, email and the address where your scary-funny scarecrow is located so the judges can find it. Your street address is all the judges need. One prize will be awarded to the scarecrow that best suits the mood we are all in this year. Pandemic and political themed scarecrows will not be judged.
