TPCL Retreat

The PATH has provided funding for The Plains Community League to complete long-range planning. The Board will be meeting for two full days in August to review and update our purpose and future goals. It will look at current programming (including tutoring, Thanksgiving Baskets, Holiday parties, scholarships, etc.) and explore how the Community League can continue ongoing programs and expand services.

The Covid Pandemic has impacted every person, family, organization and business in The Plains. The schools are searching for ways to provide education to our students while remaining safe. The Community League will be exploring ways it can adapt the tutoring program to provide assistance to our students.

If you have any ideas to share with the Board, we would love to hear from you. You can email us at pcl20198@gmail.com, comment/message us on our Facebook page or talk directly to a Board member.
